

If you have **Internet access** and a few minutes, you can **sign up** to help **save** the Postal Service!

Sign up today for NALC's e-Activist Network and receive Action Alerts when it is necessary to contact your elected representatives or other decision-makers concerning issues affecting the future of the USPS, your job and retirement benefits. When the time comes to act, with just a few clicks you can send personalized e-mails directly to your members of Congress and other decision-makers—messages that let them know where we stand and what's important to letter carriers!

**Sign up online from NALC's home page**  
**Go to [www.nalc.org](http://www.nalc.org)**

**Meetings can use the 'kiosk' at [www.nalc.org/depart/legpol](http://www.nalc.org/depart/legpol) to sign up multiple members**

**Or fill out a Legislative Activist sign-up form, available from your NBA or NALC's Legislative Department**

The new e-Activist "Sign-Up Kiosk" system can be set up and used before or after branch meetings or similar events—anywhere with Internet access—to enlist groups into the network. It supplements the existing NALC home page sign-up and regular mail as ways to join the ranks promoting letter carrier interests.
